Erica Cohn
Callie Hershey
Christine Krupka
Angela Marcone
Becky Ndots
Jennifer Starr

Harmonytryx (Har-mo-NEE-trix) is a diva-licious combination of tightly crafted vocal harmonies, funky vocal percussion, powerful solos, intriguing world music and imaginative originals. Every sound you hear was created by a human. No musical instruments, no drums, and no instrumentation, other than our own vocal chords (and other body parts, as appropriate) were used in the production of this CD.

Want to bring the sweet sounds of Harmonytryx (live and in person) to your club or event?
